

2024 Annual Flat Rate Plan 1

Annual Flat Rate Plan 1: receive a weekly lesson slot time for 12 months, only pay for 9 months (40 lessons). *Studio is closed ~6 weeks of the year. Purchase 40 lessons in the year at \$36/30 min rate, billed in 12 increments (monthly).

Monthly payment will appear the same no matter how many personal or studio cancellations are used in that month. If there is a concern about missing lessons, reach out to Miss Abigail! We are unique in offering rescheduling options or last minute cancellations without added fees.

Due to the nature of our teachers' schedules, there is a limitation of one lesson per week, within studio hours. There are ~5 of each given lesson slot time in the week. Please follow our rescheduling process for personal cancellations or long-term lesson slot change needs. **More than one lesson per week must be purchased separately. Exceptions can be coordinated.**

If your family follows our rescheduling process and attends your lesson slot time regularly, there is opportunity to attend up to **1.5 months worth of free lessons**. The remaining 1.5 months worth of weekly lesson times is allotted to studio cancellations.

If there are unexpected changes that require an end to this contract prematurely, we simply ask for a two week notice before the start of the next billing month and your contract will be dissolved without added fees or fulfillment of all twelve cycles.
